Dear Family & Friends,

It is hard to believe that it is nearing the end of September already! We are doing well here in our Home. The outdoor porch visits have been successful and a few visits have even occurred inside our auditorium. Everyone is adhering to the visit regulations and the Residents are thrilled with the opportunity to see their loved ones in person!

This week we are completing our latest rounds of Covid-19 testing. Thus far all of the results have been negative for Residents, Sisters and Staff. We are still waiting on the results for a small portion of the tests that we have submitted.

Everyone remains in good spirits. We are holding on to the good weather for as long as possible and continuing our picnics on the porch. Last week we even had an accordion player entertain us from the front lawn. We have truly been blessed in many ways over the last seven months, but please continue to pray for us and our dear Residents.

United in Prayer,
