Dear Family & Friends,

I apologize for the long delay between my updates. I have recently completed a 10-day in-house retreat here in the Home and can assure that all of our Residents, Staff, Volunteers and Friends were in my prayers!

All of September's testing came back negative for Covid-19. We were so pleased to hear the results. Right now, we are finishing up October's testing and thus far all results have also been negative. We are continuing our family visits and up until this week have had the luxury of keeping most visits outdoors. With the weather changing visits will most likely be shifted to indoors in our auditorium where 6 ft distance can be maintained. Family and friends should continue to schedule their visits through the main receptionist at (412) 307-1100. Currently the times for visits are Mondays – 1-3pm, Wednesdays 1-4pm, Fridays 11-12 or 1-2pm, Saturdays and Sundays 1-4pm. *Visit times are subject to change.*

We continue to pray for an end to this pandemic. Thank you for your support during this uncertain time. The Residents are doing well, and we are doing all we can to keep them safe, healthy and engaged!

United in Prayer,

Mother Mary Vincent, lsp
