Dear Family & Friends,

It has been some time since I last provided an update. The old adage—no news is good news. Last week we had the first Covid-19 positive employee in many weeks. Since then, an additional three employees, one independent living Resident and one nursing home have tested positive.

We are currently requiring n95 masks for all visitors, volunteers and staff along with twice weekly testing of staff. We pray that this is just a small bump in the road and look forward to celebrating the joys of Easter together as a family.

Thank you for your continued prayers.

Gratefully in Prayer,

Mother Mary Vincent, lsp
