

May 15, 2020

Dear Family & Friends,

Thank God that we, all of the Residents, Sisters and Staff remain free from Covid-19. As our county begins to loosen our social restrictions, we will continue to be vigilant in keeping our Residents protected by restricting visitors and keeping the recommendations of both the CDC and CMS implemented throughout our Home.

Last weekend Mother's Day was a huge success in our Home. Thanks to the Activities Department we were able to set up "Window Talks" at four separate Window stations in our auditorium. Residents remained inside and their families were on the porch outside. Cell phones helped the Residents hear their loved ones. Families brought signs, gifts, grandchildren and even *granddogs* to brighten their loved ones day. It was such a success that we will continue to offer this space to families of Residents for visits. If you are interested please schedule your visit with the activities department at (412) 307-1100 so that we can maintain social distancing inside the Home.

While this has been a challenging time for all of us, it is also a time that highlights the generosity of friends that have come to our aid. Please know we are grateful for all of the support we are receiving from monetary donations, to food deliveries, to Amazon *wishlist* purchases arriving at our door, thank you! We trust in God's providential care, and through you our dear friends, He is not letting us down.

Sincerely in Christ,

*Mother Mary Vincent, lsp*
