

July 3, 2020

Dear Family & Friends,

We are pleased to report that we continue to be free from Covid-19. The final staff members needing to be tested were tested this week and we are waiting on those results. So far, all Residents, Sisters and Staff have been negative.

Every day we continue to monitor Residents for symptoms of Covid-19. If a symptom develops (ie. a fever) in a Resident that is cause for concern, we have them immediately tested and test all within their household as well. Thankfully, the results have all been negative in these situations.

As for plans for reopening, we have started to review guidance from the Pennsylvania Department of Health and CMS. Much like our state, there is a multi-step system of reopening. We will monitor the requirements, and any developments in cases in the region and let Residents families and volunteers know of our specific plans as soon as possible.

The celebration of Independence Day this year will be definitely different. We will do all we can to help the Residents commemorate the birth of our great nation and enjoy some “picnic” food. May you have an enjoyable 4th of July as well! Let us continue to pray for one another and pray that this pandemic loosens its grip on our lives so that we can make small steps toward normalcy sometime soon.

Gratefully in Prayer,

Mother Mary Vincent, lsp
Administrator
