Dear Family & Friends,

The three Residents and two staff members who tested positive last week are all recovering well. The results from our household-wide testing showed an additional two positive Residents and three employees. This means that our quarantine of the households will continue.

Window visits and facetime calls are still available. Please call our main line at (412) 307-1100 to make arrangements for either of those options. Thank you for patience as we do our very best to get a handle on this situation. We promise to continue to provide updates if additional cases arise.

Your prayers are appreciated.

Gratefully in Prayer,

*Mother Mary Vincent, lsp*
