

February 1, 2022

Dear Family & Friends,

Since our last update two additional employees have tested positive as have two Little Sisters. The employees are isolating for their appropriate days at home and the Sisters are sequestered in the Convent.

Fortunately, all the nursing home Residents and apartments Residents are currently healthy and no Resident is on quarantine. We pray that we get through this Winter with minimal impact from Covid-19.

Please continue to pray for our Home, Residents and employees. Thank you!

Gratefully in Prayer,

*Mother Mary Vincent, lsp*
