

February 10, 2022

Dear Family & Friends,

Today a positive test was confirmed in one of our Independent Living Residents in the Jeanne Jugan Pavilion. That Resident is isolating the appropriate time. We are watching all Residents closely in this area. We pray that no additional Residents were exposed.

Fortunately, all the nursing home Residents remain healthy and Covid-free. If additional cases arise, we will send another update.

Please continue to pray for our Home, Residents and employees. Thank you!

Gratefully in Prayer,

Mother Mary Vincent, lsp
Administrator
