Dear Family & Friends,

We are writing to let you know that since our last update an additional three Residents and six staff members have tested positive for Covid-19. This has kept our two first floor households on restricted visitation. The Residents and staff who contracted Covid-19 earlier this month have recovered. We continue to pray that those who recently tested positive will also make full recoveries.

Please continue to keep our Home in your prayers.

Gratefully in Prayer,
