

FRIENDS

There are wonderful people
Who give from their hearts
In thoughtful and unselfish ways,
So willing to share, be there or
Help, no matter
How busy their days.....

Dear Sirs and Brothers

As you are aware we in the *Teamster Horsemen Motorcycle Association* are involved in many fundraisers. Last year was an extremely tough year for many of our charities due to the COVID-19 pandemic. One of the oldest and most rewarding runs we participate in helps to support the *Little Sisters of The Poor*. The Little Sisters of the Poor provide dignified independent living to the neediest of every race and religion while also providing nursing care to those in need.

Mother Superior Sister Mary Vincent contacted me earlier this year and request that we, *The Teamster Horsemen*, would participate in a drive thru as opposed to a sit-down luncheon fundraiser. Because the residents are elderly and their health is considered high risk, they will not be able to hold our customary luncheon along with 50/50, auctions etc. Due to these concerns over the safety of the elderly we will be unable to fundraise to the best of our abilities. We would greatly appreciate a monetary donation t help us support this wonderful organization.

*Please invite any interested riders to join us at 9am at The Teamster Temple, 4701 Butler St, Pittsburgh PA 15201, kickstands up at 9:30!

Luncheon and entertainment to follow at The Grove, 395 Jacks Run Rd, Pittsburgh PA 15202

Thank you and God Bless,

Lenny Boyd
