

August 5, 2022

Dear Family & Friends,

This week was challenging. As of today we have five employees out with Covid, two Apartment Residents, three Little Sisters, and two nursing home Residents. One nursing home household is under quarantine due to having two positive cases. We have been testing everyone (Sisters, Staff and Residents) to have a better understanding of the spread of the virus.

We will communicate additional information as necessary, but please keep our Home in your prayers!

Gratefully in Prayer,

Mother Mary Vincent, lsp
Administrator
