

August 9, 2022

Dear Family & Friends,

Unfortunately, our Covid-19 rapid tests keep revealing positive cases. We are currently at 17 staff members, four Little Sisters, four nursing home Residents and two apartment Residents. This variant is very easily spread. Two nursing home households are under quarantine due to having positive cases. We continue to test everyone at the Home and hope the spread of the virus diminishes.

Thank you for your continue prayers.

Gratefully in Prayer,

*Mother Mary Vincent, lsp*
