

November 18, 2022

Dear Family & Friends,

A few steps forward and then a few steps back! That seems to be the trend lately. Earlier this week the screening process of taking temperatures and answering questions at the front desk was discontinued. Now temperatures are optional for all employees, volunteers and guests.

Today we learned of two positive cases amongst staff. While this doesn't change the temperature screening it does now require n95 masks for all staff, visitors and volunteers. We will continue to test twice a week until there are no positives for at least two weeks.

Thank you for your continued prayers.

Gratefully in Prayer,

Mother Mary Vincent, lsp
Administrator
