Dear Family & Friends,

Thanksgiving was a joyous time for all here at our Home. Last week we were finally two weeks out without a new case and therefore back to surgical masks. That change did not last long as we had another employee test positive this week.

We are now back to n95 masks for all staff, volunteers and visitors and back to twice weekly testing. This seems to be an unfortunate pattern, but we will persevere and try our best to give our Residents a joyous Advent and Christmas Seasons.

Thank you for your continued prayers.

Gratefully in Prayer,

Mother Mary Vincent, lsp
